Select a location where you'd like to play. More experience points will add to your Player Level. The Higher the level the more levels you unlock.

Once the game starts, you will be dealt a deck of 5 cards, plus one more when your first turn starts.

You can lightly tap any of your cards to view more information about it including any special abilities' the card has if any.

Each card costs **Mana** points which are listed at the top left of the card. You can only place a card once you have that many **Turn Points** at the bottom right of the screen.

More card info is listed on the next page.

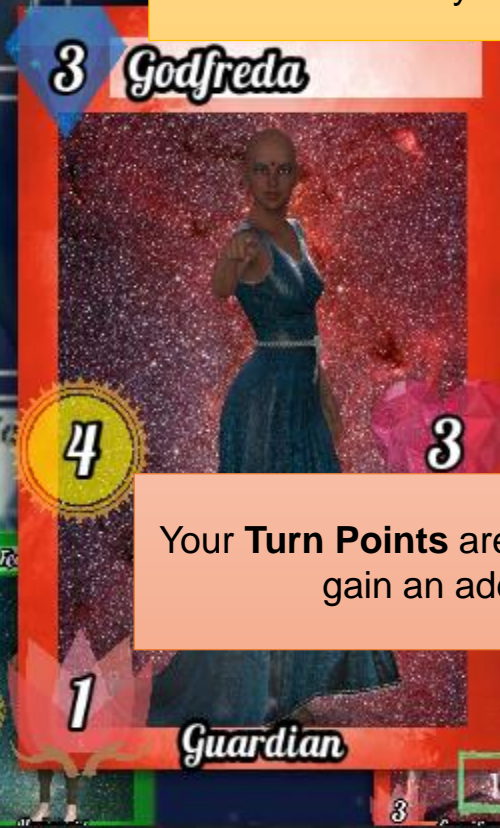

The object of the game is to attack your opponent until they have ZERO hit points left.

Watch your timer, you will only have 2 minutes per turn to play. Select End Turn when you're done with your turn.
